HORSEMANSHIP
CAMP
2011**

HOLDING YOUR HORSES IS JUST THE BEGINNING!

Horsemanship camp is a level program that takes young people ages 10-18 from basic riding skills through more advanced riding instruction, horse training skills, and teaching opportunities. Each day campers progress at their own speed spending time riding horses, learning horse science, and participating in other camp activities such as canoeing, archery, swimming, and unique games. A week of camp ends with an exciting Shodeo that allows campers to exhibit their riding abilities. Opportunities to minister to others through their experiences will be taught and encouraged along with rewarding skill building and character-building memories.
